

Rebuild Holy Cross Team Meeting Minutes

August 15, 2023 6:15 p.m. Parish House/Holy Cross Church

Look at old statues to possibly repurpose.

Discussion of septic system placement for potential indoor restroom for church.

Structure:

- Drive-through/breezeway-getting quotes
- Insulation in the attic-timeline?

Electric:

- HVAC-getting quotes
- Lighting-not yet
- Sound System-waiting for additional bid
- Electrical-getting quotes

Choir Loft:

- Organ and pipe system-
 - Buzard Organs-\$235K to replace, used option available, no price shared.
 - Wicks-\$189K to replace, other used options available-no price shared.

Other:

- Browning Day presentation-interior design
- Exterior doors-more quotes needed
- Woodwork
- Radiator spaces in walls-no new ideas
- Pews and kneelers-Mel's Restoration-visited warehouse Monday, waiting for bid
- Financing-gathering estimated costs for potential items that will not/might not be covered by insurance. A priority list will be compiled, and budgeting recommendations will be made. Will we need to borrow money, ask for donations, and/or hold fundraisers to meet the financial needs? These might items include, but are not limited to:
 - window panes need rust repair and refinish
 - any portion of subflooring, electrical, etc. potentially not covered by insurance
 - restroom for interior of church
 - breezeway/covered driveway
 - cryroom/gathering space remodel
 - exterior doors (replace or refinish)
 - other
