

# Rebuild Holy Cross Team Meeting Minutes

August 8, 2023

6:30 p.m. Parish House/Holy Cross Church

Met in church.

- Walk-through this weekend after each mass. Parishioners will enter the north doors, walk towards the south end of the church/sanctuary, then will return to the north doors to exit. No one will be allowed to walk on scaffolding nor veer off the middle aisle path (due to safety concerns). Kevin Billingsley, our ServPro representative, will be outside the church to answer questions about the work ServPro has completed and the next cleaning steps.

Structure:

- Foundation/drivethrough/breezeway-getting quotes
- Subfloor-quote received
- Plaster- quotes received
- Stained-glass windows-quotes received
- Insulation in the attic-approved, will start work next week

Electric:

- HVAC-seeking quotes
- Lighting/electrical -seeking quotes
- Sound System-one quote received, one expected soon

Choir Loft:

- Nothing new to report structurally at this time
- Organ and pipe system-
  - Buzard Organs-will quote, will be onsite Wednesday morning, used options available.

Other:

- Exterior doors-quote received from Premier Woodcraft (Chris Deiner -Arthur). Local refinisher-Rick Gould (Gould's Woodworking -Bible Grove)
- Reredos, tabernacle, altar, St. Joseph and Blessed Virgin bases, confessionals, other woodwork-baseboards, windowsills, wainscoting, door trim, etc. -how to make sure everything is painted and stained to match, especially if we use different contractors
- Radiator spaces in walls-
- Pews and kneelers-would like one more quote
- Flooring-best product discussion-wood floors, stone, carpet, luxury vinyl (to be continued)
