RESPECT LIFE CORNER:

*"Before you were formed in the womb... I knew you."
Jeremiah 1:5*

Children Are A Gift, Not a Right - Last week we talked about God entering into the cross of infertility so why wouldn't we also promote IVF or surrogacy as a path for-

ward? Because IVF treats infertility as something to work around rather than a symptom to understand and heal, and the process itself raises serious ethical questions the Church takes seriously, including how it handles the many embryonic lives created along the way. It also asks a great deal of women's bodies, carries real medical risks, and

comes with steep costs, all for success rates lower than many people realize. Underneath these concerns is a beautiful truth: every child, however they came to be, is deeply loved by God and a gift to their family—and we believe children deserve to be conceived through an act of love, not a medical procedure. See the QR code below to dive deeper into these truths. Next week, we'll return to the loving, life-respecting path we introduced last time—one that treats both the couple and their future children with the dignity they deserve.

VOCATION CORNER:

Whenever there's a mountain involved in Scripture, it is a moment to pay close attention to. The Lord has brought Elijah here for a "close encounter." Leaving the shelter of the cave, Elijah stands outside waiting because "the Lord is passing by." A strong wind that crushes rocks and then an earthquake, followed by fire, all do not contain the Lord's voice. The Lord revealed himself to Elijah in a "tiny whispering sound". This story tells us that to hear God's call, we must find time for silence in our lives; a quiet, peaceful time to hear what our call in life is to be – maybe a vocation to the priesthood, diaconate, or religious life.

2026 CATHOLIC SERVICE & MINISTRY APPEAL:

Those who are kind to the needy honor Him

The homebound, sick and seniors living in the southernmost part of the state are assured they will have food to eat thanks to **Daystar Community Program's** mobile food pantry, which delivers groceries on a regular basis to those not able to visit Daystar's on-site food pantry. **YOUR GIFT** to the Catholic Service and Ministry Appeal makes Daystar's truly life-saving ministry possible. If you haven't already done so, please donate today and help Daystar to serve truly the poorest of the poor; they are counting on **YOU!**

Respect Life Corner: August 9, 2026

Children Are A Gift, Not a Right

Last week we talked about God entering into the cross of infertility so why wouldn't we also promote IVF or surrogacy as a path forward? Because IVF treats infertility as something to work around rather than a symptom to understand and heal, and the process itself raises serious ethical questions the Church takes seriously, including how it handles the many embryonic lives created along the way. It also asks a great deal of women's bodies, carries real medical risks, and comes with steep costs, all for success rates lower than many people realize. Underneath these concerns is a beautiful truth: every child, however they came to be, is deeply loved by God and a gift to their family—and we believe children deserve to be conceived through an act of love, not a medical procedure. See the QR code below to dive deeper into these truths. Next week, we'll return to the loving, life-respecting path we introduced last time—one that treats both the couple and their future children with the dignity they deserve.

Vocation Corner: August 9, 2026

Whenever there's a mountain involved in Scripture, it is a moment to pay close attention to. The Lord has brought Elijah here for a "close encounter." RESPECT LIFE CORNER:

Children Are A Gift, Not a Right -

Last week we talked about God entering into the cross of infertility so why

wouldn't we also promote IVF or surrogacy as a path forward? Because IVF treats infertility as something to work around rather than a symptom

to understand and heal, and the process itself raises serious ethical questions the Church takes seriously, including how it handles the many embryonic lives created along the way. It also asks a great deal of women's bodies, carries real medical risks, and comes with steep costs, all for success rates lower than many people realize. Underneath these concerns is a beautiful truth: every child, however they came to be, is deeply loved by God and a gift to their family—and we believe children deserve to be conceived through an act of love, not a medical procedure. See the QR code below to dive deeper into these truths. Next week, we'll return to the loving, life-respecting path we introduced last time—one that treats both the couple and their future children with the dignity they deserve.

VOCATION CORNER:

Whenever there's a mountain involved in Scripture, it is a moment to pay close attention to. The Lord has brought Elijah here for a "close encounter." Leaving the shelter of the cave, Elijah stands outside waiting because "the Lord is passing by." A strong wind that crushes rocks and then an earthquake, followed by fire, all do not contain the Lord's voice. The Lord revealed himself to Elijah in a "tiny whispering sound". This story tells us that to hear God's call, we must find time for silence in our lives; a quiet, peaceful time to hear what our call in life is to be – maybe a vocation to the priesthood, diaconate, or religious life.

Walking on Water!

In today's Gospel reading Jesus did an amazing miracle- He walked across the sea! This was a sign that He was more powerful than nature.

Peter knew that he was supposed to follow in Our Lord's footsteps, so he asked Jesus to call him to come and walk on the water too. When Jesus called him, Peter got out of the boat and started walking on the water too! But soon he noticed how windy it was and got scared. As soon as he got distracted from Jesus, he started to sink, until Jesus took him and helped him up.

We are supposed to follow in Our Lord's footsteps too. When Jesus wants you to do something, He will give you the grace you need to do it, just like He gave Peter the power to walk on the water. If you lose sight of Jesus and only think about how hard it is, you won't be able to do what God asks, just like Peter when he started to sink. If you realize that you're having a hard time doing the right thing, it's time to turn back to Jesus!

Answer to puzzle on front: Jesus walking on the water. Answer to Flowers for Our Lady: Mary was assumed, body and soul, into Heaven!

Saint Claire of Assisi
August 11

CLARE WAS THE DAUGHTER OF A WEALTHY COUNT IN ITALY IN THE 1200'S. SHE WAS DEVOTED TO GOD AND WASN'T INTERESTED IN WORLDLY THINGS.

SHE HEARD SAINT FRANCIS
PREACH WHEN SHE WAS 18
AND DECIDED TO GIVE HER
LIFE TO GOD. *God calls*

ONE NIGHT SHE WENT TO ST. FRANCIS WHO CUT HER HAIR AND GAVE HER A ROUGH TUNIC.

Did Father let you come?!

HER FATHER TRIED TO
FORCE HER TO COME
BACK, BUT SOON HER
SISTER JOINED HER!

THIS WAS THE BEGINNING OF THE POOR CLARE SISTERS. THEY LIVED IN TOTAL POVERTY.

We will not own
even our own home.

WHEN ATTACKERS CAME, SHE
HELD UP A MONSTRANCE WITH
THE BLESSED SACRAMENT IN
IT AND THEY RAN AWAY!

CLARE WAS MADE THE ABBESS OF THE SISTERS. SHE LIVED A HIDDEN LIFE BUT DREW PEOPLE TO LOVE POVERTY LIKE CHRIST DID. SHE DIED IN 1253.

It is so much easier
to love God when one
owns nothing!

ST. CLAIRE KNEW THAT HAVING NICE THINGS CAN KEEP US AWAY FROM JESUS. SHE GAVE AWAY EVERYTHING SHE HAD SO SHE COULD BE VERY CLOSE TO HIM, WHO HAD GIVEN UP EVERYTHING TO DIE ON THE CROSS FOR US. WE, TOO, SHOULD BE READY TO GIVE UP ANYTHING THAT GETS BETWEEN US AND GOD.
