In Memoriam

"The more than 2.1 million Knights of Columbus around the world join Catholics and people of all faiths today as we mourn the death of our Holy Father Pope Francis, the Bishop of Rome and spiritual leader of the Catholic Church. Pope Francis was a powerful witness to charity and fraternity, calling us from his first days as pope to reach out to the margins of society and serve those who are too often forgotten.

The Knights of Columbus is particularly grateful for its close relationship with our late Holy Father. Pope Francis continually encouraged our charitable mission and offered his blessing for our work, especially our humanitarian efforts around the world. Pope Francis was also very supportive of our efforts to help Catholic men be better husbands and fathers and take up co-responsibility for the Church's mission of evangelization. "Eternal rest grant unto him, O Lord, and let perpetual light shine upon him."

Picking the next Pope

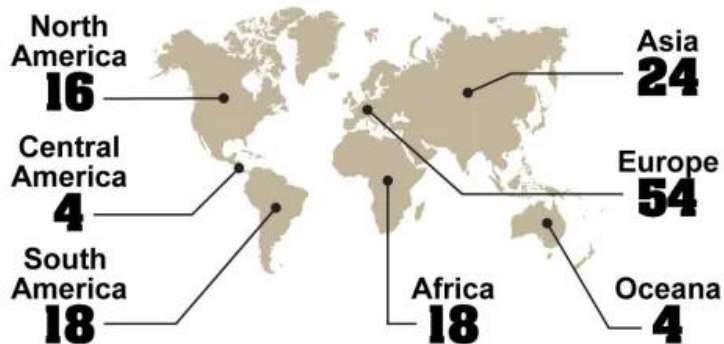

The College of Cardinals will convene in Rome to elect a successor to Pope Francis. Only cardinals under the age of 80 are eligible to vote. The conclave can't begin until at least 15 days after the papal seat is vacated, following nine days of official mourning. During this period, the camerlengo—also known as the chamberlain—oversees limited Church operations as the interim leader.

Who will vote?

There are 252 cardinals worldwide. Of these, 135 are under the age of 80 and thus eligible to vote in the upcoming papal conclave.

These eligible cardinals represent a diverse global presence, with electors hailing from 71 countries.

Inside the Sistine Chapel

Cardinals are sealed inside the chapel. In secret, each writes the name of their chosen candidate and, by rank, places the ballot in a ceremonial urn.

1. Counting the votes: Three scrutineers tally the ballots. Once counted, all ballots and notes are burned.

2. The voting process: If no candidate secures a two-thirds majority, up to four votes are held daily—two in the morning, two in the afternoon. After the third day without a decision, a one-day pause for prayer may occur. This cycle repeats every seven rounds.

3. Electing a Pope: A new pope is elected once a candidate receives at least two-thirds (or two-thirds plus one, if needed) of the votes from present cardinals.

Smoke signals

Twice daily, smoke rises from the chapel chimney.
